RE: US Patent No. 6,138,245

SUPPLEMENTAL PETITION TO ACCEPT UNINTENTIONALLY DELAYED PAYMENT OF MAINTENANCE FEE IN AN EXPIRED PATENT (37 C.F.R. 1.378(C))

On April 27, 2005, Applicants submitted by fax a Petition to Accept Unintentional Delayed Payment of Maintenance Fee in an Expired Patent, which has been entered at the PTO (according to PAIR). A resubmission was made on May 31, 2005, but the wrong deposit account was included in that submission.

Applicant's representative should have shown the Maintenance Fee to be paid on the Form SB/66 as a Large Entity, and not as a Small Entity. Included is a copy of that Form SB/66, which is marked up to show that a Large Entity maintenance fee payment should be made.

Thus, the PTO is authorized to charge an additional \$450.00 fee from Deposit Account 19-(0741, so that the proper \$900.00 fee is charged for the first maintenance fee payment. The PTO is also authorized to charge the Deposit Account for any other fees to have this change effected.

Respectfully submitted,

Phillip J. Articola
